Move light

Time is the most precious thing you have – and what matters to you is being able to move into and around the city as stylishly and efficiently as possible. Fun and easy to ride, this attractive new urban commuter is one of the smartest, quickest and most economical solutions for personal mobility. Featuring a fresh and new unisex look, the latest D'elight scooter delivers all of the above – and much more! It's the lightest urban commuter scooter, making it more enjoyable to ride and easier to manoeuvre – and the compact dimensions mean that it's ideal for getting through traffic jams. Its quiet and economical 125cc engine now features an automatic Stop & Start function to reduce emissions for a cleaner environment, while the storage space under the dual seat can accommodate a full-face helmet. The Yamaha badge means that reliability is assured – and with its extremely competitive price, the new D'elight makes more sense in every way. At a glance: - New design with new lights and LCD instruments - 125cc Blue Core EURO5 engine - Lightest in class - Large underseat storage. - Start & Stop engine technology - 12-inch front wheel, 10-inch rear wheel
