## Yamaha Tracer 9 GT 2021

Turn up your journey

**£11,995** <sup>+OTR</sup>  
from £237.76 p/m

Sport Touring never felt this good. With an exclusive specification that includes electronic semi-active suspension that constantly adjusts front and rear damping force to give you the smoothest and most secure ride – whatever the load or speed – the TRACER 9 GT is engineered to deliver the highest levels of dynamic touring comfort. Hard side cases capable of carrying a full-face helmet and featuring colour coordinated panels are fitted as standard. You can also fit an optional top case if you need extra space – and the fully-floating luggage carrier system gives a natural riding feeling even when fully loaded. For confident night-time riding the TRACER 9 GT comes fitted with LED cornering lights that get brighter as you lean further – while 10-stage adjustable grip heaters keep your hands warm whatever the weather. And for ultimate sports versatility this high-tech performance bike comes with up and down QSS for smoother and faster gear shifting.
